

Happy Passover!

Temple עמנו אל
Emanu-El of Westfield

Dear Temple Emanu-El Family,

Surprise! You've been gifted with the Afiko-Man! An essential part of any seder is the search for afikomen. While many families have their own traditions and spirited searches, we are asking you to join our community in an attempt to spread the Passover joy!

What to do with your Afiko-Man...

1. Between the dates of 3/25 and 4/5, put your Afiko-Man in a visible spot at your home (a window, mailbox, even car window)
2. For extra fun, take a pic of your unique Afiko-Man spot (feel free to decorate and get creative with your Afiko-Man display). Submit your decorated Afiko-men to tewnj.org/afiko-man.
3. Fill out the form online, telling us you've participated so other families know where to look! Go Tewnj.org/afiko-man
4. Between the dates of 3/27 and 4/4, take a walk or drive around the area and find as many Afiko-Men as you can. We encourage pics with your finds at tewnj.org/afiko-man!

Our mission is to spread Passover joy with our Afiko-Men to as many people as possible, and we are excited to see what you come up with!

Wishing you a safe and meaningful Passover,
Your Family at Temple Emanu-El
